

NEW! EDUCATION LAW WEBINAR

# THE EDUCATOR'S GUIDE TO FAMILY LAW ISSUES

This **after school webinar** will drill down on the tools and strategies you need in order to effectively deal with the complex family law issues educators' face, including:

- Interpreting **court orders**: the role of the school & position of the board
- **Joint custody** presumptions under the *Education Act* & dealing with frontline disputes
- Dealing with a **court summons**: What's the process? What documents can be provided? Do you speak with counsel?
- When does the **Office of the Children's Lawyer** get involved? What are your obligations? Do you allow interviews at school? What about requests for information? Is consent required?
- Best practices in responding to requests for **OSR** information
- Dealing with **parental harassment**
- Update on recent **Human Rights** decisions: how are boards being required to adapt their policies to accommodate joint custody arrangements?

This webinar session involves a **live online Q&A**, giving you the opportunity to ask questions and engage directly with the faculty.
